

Name: Laura Elliott

Occupation: Sales Manager

Company: Harbourtowne Golf Resort & Conference Center, St. Michaels, Maryland

Bio: Laura has been involved in the Event and Food & Beverage industry since the age of 14 when she began volunteering at the Avalon Theatre in Easton, Maryland. She attended The College of Charleston to pursue a degree in Arts Management until she made the leap to Jacksonville, Florida, where she lived and worked for 6 years in restaurant management. In 2008, Laura returned to the Eastern Shore and traded the restaurant life for a new career when she accepted a position at Harbourtowne Golf Resort & Conference Center as a conference coordinator. The position quickly evolved into Sales. Laura's territory recently expanded to include the Northern Virginia as well as Philadelphia and the surrounding areas.

Laura works hard to bring clients to the incredible town she calls home and to give them a meeting experience they will never forget.

As a relatively new ISES member, Laura was thrilled to be part of the membership & communications committee. When an opportunity to be part of the Board opened up, Laura jumped at the chance! She is looking forward to a long and productive relationship within the ISES organization!
